

Thanks for purchasing plugins from C4Dzone.com

**This plugin will be activated based on your hardware configuration, OS and C4D release. There is not connection between the plugin and Cinema4D serials. Please take a look the Terms and Conditions if you want to know how the activation works:**

1. Click on the **ORDER DETAILS** button of the confirmation email or go on C4Dzone site, click the **ORDERS** button near your login main bar and find the plugin order. Enter into the **ORDER DETAILS** and download the Zipped archive.

2. Unzip the plugin pack. Locate and enter into the folder named "**--- Plugin ---**" where the real plugin is stored. **COPY** the plugin into: **APPLICATIONS > MAXON > CINEMA4D RXX > PLUGINS.**

3. Start **CINEMA4D** with **ADMINISTRATOR PRIVILEGES** (only for Windows hit right mouse button onto Cinema4d.exe and start as administrator), go to **C4D PLUGINS MENU** and hit **RELOAD PYTHON PLUGINS**. **COPY** the long string "Installation Code" showed. (**CTRL + C**).

4. Click **GET YOUR KEY NOW** button and you'll be redirected on your C4Dzone **ORDERS**. If the wrong browser will be open try with your preferred browser and go to C4Dzone site, click the **ORDERS** button near your login bar and find your plugin order. Enter into the **ORDER DETAILS**.

5. **PASTE** the Installation code into an empty field and hit the **"OK"** button.

6. **After a few seconds the license key will appear.** If an error occurs try again by using the same form. Don't use a new form field. **COPY** your License Key from the website (**CTRL + C**) and paste it (**CTRL + V**) into the plugin activation window. Hit "**ACTIVATE YOUR LICENSE**" button.

7. **Congratulations your licence is succesfully activated!** Close and restart Cinema4D.

8. **IF YOU GOT ERRORS DURING SOFTWARE ACTIVATION YOU NEED TO CLEAR PERMISSION PROBLEMS ON CINEMA4D PLUGINS FOLDER (ONLY WINDOWS USERS). CLOSE CINEMA4D AND TRY TO HIT RIGHT MOUSE BUTTON ONTO CINE-MA4D.EXE ICON AND CHOOSE START AS ADMINISTRATOR. PASTE THE PREVIOUSLY GENERATED LICENSE KEY AGAIN.**
